

Bringing Healthcare Home

Katy Wiseman, PT, DPT, Senior Director, Strategic Initiatives

The Coronavirus (COVID-19) pandemic has made it more apparent how critical it is to have access to healthcare at home and reduce risk for hospitalization. Join to learn more about the latest developments in bringing healthcare into the home — from virtual solutions to innovative healthcare strategies to engage patients in managing their health.

Following this presentation the participant will be able to:

1. Identify the impact of hospitalization to patients, providers and payers.
2. Describe the goals of the Centers for Medicare and Medicaid Triple Aim.
3. Identify factors that contribute to preventable hospitalizations.
4. Describe the latest evidence-based interventions that support healthcare at home and reducing risks for hospitalization.
